

Cyber Security, AI & the Privacy Act for NFPs

Protect and Grow COMMUNITY FIRST

Supporting Not-for-Profits in Safeguarding Data, Harnessing AI and meeting the Essential 8 for Cyber Standards

FREE EVENT | Thursday, November 21, 2024 | 10:00 AM – 3:00 PM

The Grange, 10 Kembla Grange Place, Kembla Grange, NSW 2526

[Limited to 2 attendees per organisation – Reserve Your Spot Today!](#)

Why Attend?

As a not-for-profit, securing your organisation's data and staying compliant with privacy regulations can feel overwhelming, especially with limited resources. This event provides you with practical, easy-to-understand solutions to protect your organisation while taking advantage of the latest AI tools to enhance your productivity.

What You'll Learn

- Updates to the **Privacy Act 2022** and steps for compliance.
- Protecting against cyber threats while using AI, including **Microsoft Copilot**.
- Accessing **free and discounted tech** opportunities for NFPs.
- Implementing the **Essential 8** and securing **cyber insurance**.

Don't Miss This FREE Opportunity!
